National Park Lodge Series #4 | National Park Series #14

The fourth car in this series will also be the fourteenth in the popular National Park Series. Crater Lake Lodge sits overlooking, you guessed it, Oregon's Crater Lake. Micro-Trains has been commissioned to produce this 50' box car. The car will be decorated for my favorite Spokane, Portland & Seattle Railway. The dark Pullman green car will be stunning and maybe my favorite so far in this series of cars from our National Parks and their lodges. Each billboard has been produced from original art by my brother Phil Smith.

Delivery is expected in January / February of 2010.
